## Eligibility Requirements

The JAPAN RAIL PASS is a special fare ticket that is available only to travelers visiting Japan from foreign countries for sightseeing. To be eligible to purchase a JAPAN RAIL PASS you must meet one of the following two conditions.

### ELIGIBILITY FOR USE - 1

You are a foreign tourist visiting Japan from abroad for sightseeing, under the entry status of "Temporary Visitor".

"Temporary Visitor" entry status, according to Japanese Immigration Law, allows a stay in Japan of 15 days or 90 days for "sightseeing, etc." If you apply for a "stay for sightseeing" when you enter Japan, entry personnel will stamp your passport as "Temporary Visitor," as shown below\*. Only persons who have a passport bearing this stamp can use a JAPAN RAIL PASS.

Examples of the "Temporary Visitor" entry status stamp

### Caution

Even if you visit Japan with an Exchange Order (see Step 1 on p.13), to be turned in for a JAPAN RAIL PASS, the exchange cannot be made unless you have "Temporary Visitor" status; if you enter Japan under any other official status, such as "Trainee," "Entertainer," or "Reentry Permit," you cannot change the Exchange Order for a JAPAN RAIL PASS. Please note that according to strict interpretation of the Japanese Immigration Law, "Temporary Visitor" status differs even from other types of stays that are also for only short time periods.

\* If you use an automated gate, no stamp will be applied to your passport. Either use a manned automated gate or ask a clerk to apply the stamp to your passport.

## Conditions for Use

### Note:

If those with Japanese nationality living outside of Japan fall under "[2] Eligibility Requirements" described on this page, please note that the Exchange Order sales for such customers will end on March 31, 2017 (exchange within Japan will be valid up to June 30, 2017).

On and after April 1, 2017, Exchange Orders will be sold only for those who fall under "[1] Eligibility Requirements" described on this page.

### ELIGIBILITY FOR USE - 2

You are a Japanese national living outside of Japan who meets the following conditions.

- who has the right of permanent residence in that country.
- who is married to a non-Japanese residing in a country other than Japan.

**Note:** Please present the following documents together with your Japanese passport when you purchase the Exchange Order and when you exchange it for a JAPAN RAIL PASS.

Persons meeting condition (a) must provide written proof of the following:

- Right of permanent residence \*
- That they are living in a country other than Japan

Persons meeting condition (b) must provide written proof of the following:

- That they are married to a foreign national
- That they are living in a country other than Japan
- That their spouse (a foreign national) is living outside Japan

If an applicant is unable to provide written proof that he or she meets condition (a) or (b) and the clerk is unable to verify compliance using electronic data or other means, the PASS may be denied.

\* Applicants' residence certificate (for stays of five or more years) is subject to verification. For details on required documents, please check with your authorized sales office or agent.

## Types and Prices

There are two types of JAPAN RAIL PASS: Green (for superior-class Green Cars), and Ordinary. Each of these types is available as a 7-day, 14-day, or 21-day PASS. See p.7 and p.8 for the scope of validity of each pass type.

### ■ Exchange Orders Prices (as of September 2016)

Type	Green		Ordinary	
Duration	Adult	Child	Adult	Child
7-day	¥38,880	¥19,440	¥29,110	¥14,550
14-day	¥62,950	¥31,470	¥46,390	¥23,190
21-day	¥81,870	¥40,930	¥59,350	¥29,670

The above are yen (¥) prices for a JAPAN RAIL PASS Exchange Order; the actual cost in local currency is calculated based on the Banker's Selling Rate (BSR), etc., at the time the Exchange Order is issued. Note that the purchase exchange rate may differ from the exchange rate in effect when you actually visit Japan. The local currency price, applicable exchange rate, and issue date for an Exchange Order are specified on the Exchange Order itself. Children who are age 6 through 11 as of the date on which the Exchange Order is issued are eligible for child PASS prices. Prices are subject to change. The applicable price is the price valid on the date when an Exchange Order is issued.

\* Prices shown are accurate as of September 2016. Prices are subject to change.

Please see the JAPAN RAIL PASS website for more information.

- 1 The JAPAN RAIL PASS is valid only for the person whose name appears on the pass. The user must be a foreign national visiting Japan with the entry status of Temporary Visitor. Please note also that the pass is valid only when it has a JAPAN RAIL PASS ticket attached.
- 2 When you begin using your pass, present it to the attendant at a manned ticket gate. The attendant will apply a stamp in the space provided for official use. When passing through the gate, always present your pass to the attendant so that the period of validity is visible.
- 3 While using JAPAN RAIL PASS, you must carry your passport and be prepared to present it to a station attendant or car conductor if requested.
- 4 The JAPAN RAIL PASS is valid for reserved and non-reserved ordinary car travel on all Japan Railways (JR) Group Shinkansen "bullet trains" (except for the "NOZOMI" and "MIZUHO" services), limited express trains, express trains, and local trains (Green Car passes are valid for Green Car travel) and the BRT (Bus Rapid Transit system). The pass is also valid for travel on the JR Miyajima ferry between Miyajima and Miyajimaguchi Station, buses operated by JR Hokkaido Bus, JR Tohoku Bus, JR Bus Kanto, JR Tokai Bus, West Japan JR Bus, Chugoku JR Bus, JR Shikoku Bus, JR Kyushu Bus, and the Tokyo Monorail. However, please note that JAPAN RAIL PASS is not valid for travel on JR Group buses that travel on expressways and some local bus routes.

\* The JAPAN RAIL PASS is not valid for travel on the "NOZOMI" and "MIZUHO" Shinkansen services (including non-reserved seats on both). To board those services, you must pay in full for the basic fare and the limited express charge.

\* The routes covered by JAPAN RAIL PASS are subject to change.

\* When using JAPAN RAIL PASS to travel on JR Group transport services that extend through lines operated by companies other than JR Rail, JR Miyajima Ferry, JR Bus (excluding some routes such as expressway bus lines), and the Tokyo Monorail, you must pay separately for the fare and other charges of the distance traveled on such sections. However, no separate fare or charges are required when such travel passes through the following segments without stopover.

- ① The Aomori Railway between Hachinohe and Aomori, Aomori and Noheji, or Hachinohe and Noheji. (Valid only for use on ordinary trains)
- ② The IR Ishikawa Railway between Kanazawa and Tsubata. (Excluding travel on a train other than JR lines extending beyond the segment specified above)
- ③ The Ainokaze Toyama Railway between Toyama and Takaoka. (Valid only for use on ordinary trains) (Excluding travel on a train other than JR lines extending beyond the segment specified above)
- 5 If you want to use reserved seating, be sure to get seat reservations before boarding (no additional payment needed). To obtain a reserved-seat ticket, present JAPAN RAIL PASS at the ticket office (Midori-no-madoguchi) at a JR station, a Travel Service Center, or a sales office of a major travel agency. In some instances, the purchase of a reserved seat ticket could be required. You can use a non-reserved seat exclusively with the JAPAN RAIL PASS. Please note, however, that some trains do not have non-reserved seating. Also, if you wish to travel in a private compartment on a Shinkansen or a limited express train, you will be required to pay the limited express charge for the private compartment, as well as the Green Car charge if the private compartment is a Green Car accommodation. An extra charge is also required if you wish to travel in a sleeping car, a DX Green Car or Gran Class accommodation. If you ride in a Green Car using an ordinary car pass, you will be required to pay the Green Car charge, as well as the limited or regular express service charge. (No extra charge applies when using a Green Car JAPAN RAIL PASS.) You must also pay an extra charge in advance to travel on a local train requiring a numbered ticket or a liner ticket.  
JAPAN RAIL PASS does not allow you to change to a reserved seat or sleeping car after boarding.
- 6 If you use non-reserved seating, or if you travel in an ordinary car using a Green Car pass, no refund shall be paid for passenger fare or other charges.
- 7 The JAPAN RAIL PASS can be used only within its validity period.
- 8 The JAPAN RAIL PASS cannot be exchanged for other types of passes or tickets. Nor can the validity period of the pass be changed.
- 9 Please note that JAPAN RAIL PASS cannot be reissued in the event that it is lost or stolen.
- 10 In principle, a refund for JAPAN RAIL PASS is available at all JAPAN RAIL PASS exchange offices, provided that the application for refund is made before the starting date of the validity period. You will be refunded the value of the pass in yen, less a 10% handling fee.
- 11 Once you have started using JAPAN RAIL PASS, the validity period cannot be extended, nor will any refund be issued, even if trains and other qualifying transportation services are suspended or delayed for any reason. Moreover, the JR Group will not bear additional costs due to changes in your route, such as alternative transportation costs or accommodation charges.
- 12 In addition to the terms and conditions set forth above, when using JAPAN RAIL PASS you must obey the JR Group's regulations, terms and conditions, and the laws of Japan.
- 13 The use of JAPAN RAIL PASS in violation of the terms and conditions above or the JR Group's regulations, terms and conditions may result in the invalidation and confiscation of the pass, as well as assessment of a penalty amounting to twice the basic fares and charges for all transportation services for which the pass was used.
- 14 The official terms and conditions of JAPAN RAIL PASS are written in Japanese, and the text of the Japanese version shall be given priority of interpretation in the event of questions regarding transportation conditions that may arise regarding conditions written in other languages.  
(\*The details above are current as of September 2016 and are subject to change. When using the pass, please confirm the latest terms and conditions with a JR attendant. <http://www.japanrailpass.net/>)

# JAPAN RAIL PASS How to Buy

## STEP 1 Buy at JR-designated sales office or agents

**Buy your Exchange Order for the JAPAN RAIL PASS at one of the following sales offices or agents before coming to Japan.**

JTB Corp., Nippon Travel Agency, KINTETSU INTERNATIONAL, Tobu Top Tours, Japan Airlines\*1, All Nippon Airways\*2, JALPAK, and their associated agencies.

\*A JAPAN RAIL PASS cannot be purchased inside Japan.

You must purchase an Exchange Order from an authorized sales office or agent before you come to Japan.

\*1 In this case, you must book a JAL Group flight.

\*2 In this case, you must book a ANA Group flight.

You can find the latest information about these agencies on the Internet website at

<http://www.japanrailpass.net/>

The clerk at the location where you purchase your Exchange Order will explain the eligibility requirements for the JAPAN RAIL PASS. Be sure that you understand these requirements before purchasing an Exchange Order.

In the event that you are unable to receive a PASS because you fail to meet the eligibility requirements, the JR Group is not liable for any charges or fees associated with your use of JR lines while in Japan.

◆ If you are unable to receive a PASS, you can return your Exchange Order to the overseas travel agency from which you purchased it for a refund. (\*Fees apply.)

◆ If you have any questions about the Exchange Order, please inquire directly at the travel office where you made the purchase.

## STEP 2 Turn in your Exchange Order to receive a JAPAN RAIL PASS

**Present your Exchange Order and obtain your JAPAN RAIL PASS after you arrive in Japan. You have to turn in your Exchange Order (with your passport) to receive your JAPAN RAIL PASS at a JAPAN RAIL PASS exchange office in a major JR station.**

■ You cannot use an Exchange Order when you travel on JR lines. Turn in your Exchange Order and obtain your JAPAN RAIL PASS at one of the JAPAN RAIL PASS exchange offices indicated on p.15 and p.16. (Please take note of "Service Hours" and "Days Closed.")

■ Your Exchange Order must be turned in for a JAPAN RAIL PASS within three months of the date the Order was issued. (for example, an Exchange Order issued on April 15 would have to be turned in by July 14)

\*It may take time to turn in your Exchange Order and receive a JAPAN RAIL PASS if the service counter is busy. Please ensure you leave enough time when you visit the exchange office.

■ At the exchange office, you will be asked to fill in a short application form and to show your passport with the Temporary Visitor stamp/sticker you received on entry into Japan. When exchanging the Exchange Order for a JAPAN RAIL PASS, you must show your passport\* and the Temporary Visitor stamp/sticker.

\* If the name described on the passport is not identical to the name described on the Exchange Order, obtaining the pass will not be possible.

\*Without your passport, the pass exchange will not be made. (A photocopy of your passport is also not acceptable because you must show the "Temporary Visitor" stamp/sticker in it.) And if you meet conditions 2.a or b on p.4, you must show proof of same at the times of both Exchange Order purchase and PASS exchange. If an applicant is unable to provide written proof of eligibility and the clerk is unable to verify compliance using electronic data or other means, the PASS may be denied.

■ There is no additional charge for making a seat reservation. To make a reservation, go to any Travel Service Center or Reservation Office "Midori-no-madoguchi" (ticket office) at a JR station, or to the sales office of a JR-associated travel agency. There, show your pass and obtain your reserved-seat ticket before boarding. ("NOZOMI" and "MIZUHO" trains and the trains marked with \* in table 2 on p.8 require the payment of an additional charge.)

\* Seat reservations cannot be made at unmanned stations or stations without reservation capability.

# Helpful Travel Tips

## Indications of station names

All JR stations display station names in both Japanese and romanized English on their platforms. A given station's name is in the top center of the signboard, in large letters; the names of the previous station and the next station are at the bottom of the signboard, in smaller letters.

## Coin Lockers

Coin-operated lockers (called "Coin Lockers" in Japanese) are generally available. To travel light, prepare hundred-yen coins.

## Public telephone inside trains

Shinkansen trains are equipped with public telephones that use prepaid telephone cards, which are available for purchase aboard trains and at station kiosks.

## Food and drink sales at stations and on trains

Mobile vendors on some Shinkansen, limited express, and other trains sell "Ekiben" boxed lunches (containing local specialty Japanese-style foods) as well as snacks and drinks. These items are also readily available at Kiosks and other stores at stations, many of which also have a variety of restaurants and vending machines.

## Avoid rush hours in the morning and evening

In major cities, avoid traveling during the morning and evening rush hours (approx. 7:30-9:30 and 17:00-20:00).

## Customers using wheelchairs

- Wheelchair-accessible seats are available on most of the Shinkansen and limited express trains. If you wish to make use of one of these seats, please contact the station where you plan to board at least two days in advance (but no earlier than 10:00 am on the day falling one month before travel).
- Wheelchairs are required to meet certain conditions concerning size and other characteristics. Power wheelchairs equipped with steering wheels are not generally permitted, although they may be used when certain conditions are satisfied.
- For more information, please contact station staff.
